NARRATIVE:

Emmanuel Lopez is a documented gang member with an extensive adult criminal history that began at the age of 21. His convictions include possession of an assault weapon, possession of a firearm by a felon, carrying a loaded firearm, illegal possession of ammunition, evading a peace officer, robbery, multiple cases of transporting and sales of controlled substances, receiving stolen property, vehicle theft, resisting a peace officer, possession of controlled substances, DUI, possession of marijuana and possession of burglary tools. He has served multiple state prison terms, the longest being a 6 year term for evading a police officer. Lopez was released from state prison to the supervision of the Los Angeles County Probation Department on November 7, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2015 after he absconded from post release community supervision (PRCS). Lopez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for evading a police officer is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
